Berlin, 7 June 2019

Invitation to the Bauhaus-Archiv groundbreaking ceremony

Dear Sir or Madam,

To mark the commencement of the renovation and expansion of the Bauhaus-Archiv / Museum für Gestaltung, we cordially invite you to the groundbreaking ceremony.

When: Tuesday, 11 June 2019, 11 am – 12 pm
Where: Bauhaus-Archiv / Museum für Gestaltung
Klingelhöferstr. 14, 10785 Berlin

The prominent guest speakers at the event will include Federal Minister of Culture Prof. Monika Grütters, Senator for Culture Dr. Klaus Lederer, Senator for Urban Development and Housing Katrin Lompscher, director of the Bauhaus-Archiv / Museum für Gestaltung, Dr. Annemarie Jaeggi, chairman of the board of the Bauhaus-Archiv e.V., Dr. Markus Klimmer and the project architect Volker Staab. Also attending the ceremony will be State Secretary of Urban Development Anne Katrin Bohle, Senate Director of Urban Development Regula Lüscher and Permanent Secretary for Culture Torsten Wöhlert.

On the occasion of the 100th anniversary of the Bauhaus, the Bauhaus-Archiv / Museum für Gestaltung, designed by Walter Gropius, is slated to undergo extensive renovation and expansion based on plans drafted by Staab Architekten. Due to the immense public interest in the Bauhaus-Archiv – over 120,000 visitors every year – it is necessary to expand the exhibition space at the archive. The world's largest collection on the history of the Bauhaus also requires alterations to the premises.

We look forward to personally welcoming you as our guest at the groundbreaking ceremony and kindly request your prior registration by 10 June 2019 at pressestelle@sensw.berlin.de.
